

TRANSDIGM BUSINESS GROUPS

ADAMS RITE AEROSPACE

Ronald Kato, President
Cockpit security systems, aircraft hardware, cabin lighting, water faucets and systems, and throttle quadrants
Fullerton, California

ADELWIGGINS GROUP

Jeff Zielinski, President
Flexible fluid line connectors, special connectors and quick disconnects, heaters, hoses, refueling systems and clamps
Los Angeles, California

AERO FLUID PRODUCTS

Paula Wheeler, President
Fuel, hydraulic and pneumatic valves, and fluid regulator systems
Painesville, Ohio

AEROCONTROLEX GROUP

Mike Hargas, President
Fuel, hydraulic and lubrication pumps, mechanical controls and gear box actuators
South Euclid, Ohio

AEROSONIC

Joseph K. Grote, President
Air data sensing and test and display components
Clearwater, Florida

AIRBORNE SYSTEMS NORTH AMERICA

Bryce Wiedeman, President
Military parachutes, cargo aerial delivery systems and other related products
Pennauken, New Jersey

AMSAFE PASSENGER RESTRAINTS

Herb Mardany, President
Passenger seatbelts and unique seatbelt airbag applications
Phoenix, Arizona

AMSAFE BRIDPORT

Jason Abbott, President
Airframe barrier nets, lightweight cargo nets, fire containment covers and Tarian ballistic shields
Bridport, Dorset UK

ARKWIN INDUSTRIES

Adam Crossman, President
Precision hydraulic and fuel system components
Westbury, New York

AVIONIC INSTRUMENTS

Vincent Ciolli, President
Power conversion equipment including static inverters, frequency converters and transformer rectifiers
Avenel, New Jersey

AVTECHTYEE

David Bender, President
Flight deck audio, metallic and carbon fiber composite engineered structural rods, and power control products
Everett, Washington

BREEZE EASTERN

Rodger Hahneman, President
Rescue hoists, winches, cargo hooks and weapons-handling systems
Whippany, New Jersey

CDA INTERCORP

Joseph K. Grote, President
Specialized controllable drive actuators, motors, transducers and gearing for technologically advanced control systems
Deerfield Beach, Florida

CHAMPION AEROSPACE

Jason Marlin, President
Igniters, exciters and leads for turbine engines, spark plugs, oil filters and ignition harnesses for reciprocating engines
Liberty, South Carolina

DATA DEVICE CORP

David French, President
Data bus, motion control and solid-state power controller products
Bohemia, New York

ELECTROMECH TECHNOLOGIES

Patrick O'Brien, President
Electromechanical equipment including actuators, motors, blowers, valves, liquid level sensors and electronics
Wichita, Kansas

ELEKTRO-METALL EXPORT

Ralf Schönzler, President
Electromechanical actuators and electrical and electromechanical components and assemblies
Ingolstadt, Germany
