The following Performance Graph and related discussion are being furnished solely to accompany this Annual Report on Form 10-K pursuant to Item 201(e) of Regulation S-K and shall not be deemed to be “soliciting materials” or to be “filed” with the SEC (other than as provided in Item 201) nor shall this information be incorporated by reference into any future filing under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language contained therein, except to the extent that the Company specifically incorporates it by reference into a filing.

The following Performance Graph compares the cumulative total shareholder return on the Company’s common stock for the period beginning at the close of trading on December 31, 2016 through December 31, 2021, with the cumulative total return of the NASDAQ Global Select Market Index and the NASDAQ Bank Index for the same period. Cumulative total return is computed by dividing the difference between the Company’s share price at the end and the beginning of the measurement period by the share price at the beginning of the measurement period. The Performance Graph assumes an initial investment of \$100 in the Company’s common stock, the NASDAQ Global Select Market Index and the NASDAQ Bank Index. Historical stock price performance is not necessarily indicative of future stock price performance.
